Supervisor Rode,

This letter is to give you notice that the Village of Phoenix has raised sewer rates to residents and outside users. The new rates for users outside of the village are as follows, which is a 2% increase over the most recent rate:

<b>Districts and Outside Users Rates - Increase Proposal</b>		
Lysander Sewer up to 8,000	\$	114.23
every 1,000	\$	16.14

Sewer: Up to 8000 gallons will be \$114.23. For every additional 1000 gallons the rate will be \$16.14.

These rates are based upon the rates Village residents pay multiplied by 133%, as per past agreements. The rate increase will be reflected in the billing period that begins June 15, 2025

If you have any questions, please do not hesitate to contact me.

Brian Borchik - Mayor
